

# **Increase Your Scoring Average 4-6 ppg**

**#1**

## **Shoot More Free Throws**

- Draw fouls when the other team is in bonus.
- Use your shot fake more often.
- Box out hard in hopes of drawing and over the back foul.

**#2**

## **Sprint Your Lane**

- Sprint when the other team takes a bad shot for a 1 on 0 layup.
- When you close out on a shooter at the 3pt line contest and then leak out.

**#3**

## **Score Easily In Certain Plays**

- Recognize times you can break out of a set play to get an easy layup
- Always set up your defender with fakes
- Find where you can backdoor, curl, and fade to get open shots.

**#4**

## **Shoot When Your Open**

- Always show you hands to the passer so they know you want the ball
- Don't pass up open shots that are in your range
- If you are missing all of your open shots [click here to improve you percentage](#)

**#5**

## **Crash the Offensive Glass**

- Refuse to be boxed out
- Give multiple efforts
- When you get the rebound, score the ball
